January 26, 1971

Mr. Howard Kothe
Watson Leavenworth Kelton & Taggart
100 Park Avenue
New York, New York 10017

RE: American Chemosol Corp.
German Publication #1,915,785

Dear Howard:

Dr. Wakeham has suggested that we send you a copy of this "patent" concerning alleged reduction of BAP in smoke. It was supplied by R. J. Reynolds at our request.

Sincerely yours,

G. Eiler Inskeep
Assistant Patent Officer
